S. H. Wed. May

My dear Sir

Nothing can
be more reasonable
than Mr. Murray's
request. I have not
the slightest objection
to his seeing any part
of the work in its present
rough state.

I would willingly
sell an Edition
for a fair price.
but I would not

now part with a more
permanent interest.

I shall be at home
all Saturday and if
you will have the
goodness to call you
shall select any
part ~~you~~ please
as a specimen.

I feel most anxiously
your disinterested
kindness.

Yours faithfully
Campbell

J. Payne Allen Esq
